2021 WAS TRULY A BANNER YEAR FOR DARE TO IMAGINE CHURCH

In 2021, we raised a record \$1.6M in revenues, donated more than \$140K to churches and nonprofits, and engaged our community in creative worship and small groups.

Thank you for your continued partnership. We could not have done any of this without your support!

As you read the 2021 Impact Report, I hope you'll take the time to thank God for His favor on Dare to Imagine since our founding in December 2014. I also hope you'll see why our church is a good investment for community impact.

For those looking through this report as an outside observer, I hope you'll be encouraged to commit yourself to the work of God through the local church – here or elsewhere. I know that at Dare to Imagine, our work is changing lives and empowering communities locally, nationally, and globally.

Thank you again for your faithfulness. Our first seven years have been incredible, and I know the best is yet to come!

PRAISE IN THE PARK

In these difficult times, it's more important than ever to find ways to praise God. One creative way we have accomplished this goal is by going outside and worshipping God in nature.

Praise in the Park was not only innovative, but it helped to keep us safe and connected as we dared to worship God during a global pandemic.

JADA'S STORY

"My name is Jada Dixon and I am a member of Dare to Imagine Church. The issues with my roof started about 10 years ago. In 2020 it just really got bad. The roof kind of cracked and the rain started coming through.

I started praying, asking God to lead us in what to do. My sister then came up with the idea, 'Why not call your pastor because he is a very giving person?'

So I went to Pastor KJ. "

DARE TO IMAGINE ONLINE

Dare to Imagine Church has continued to grow in its reach beyond the walls of our weekend experiences in 2021.

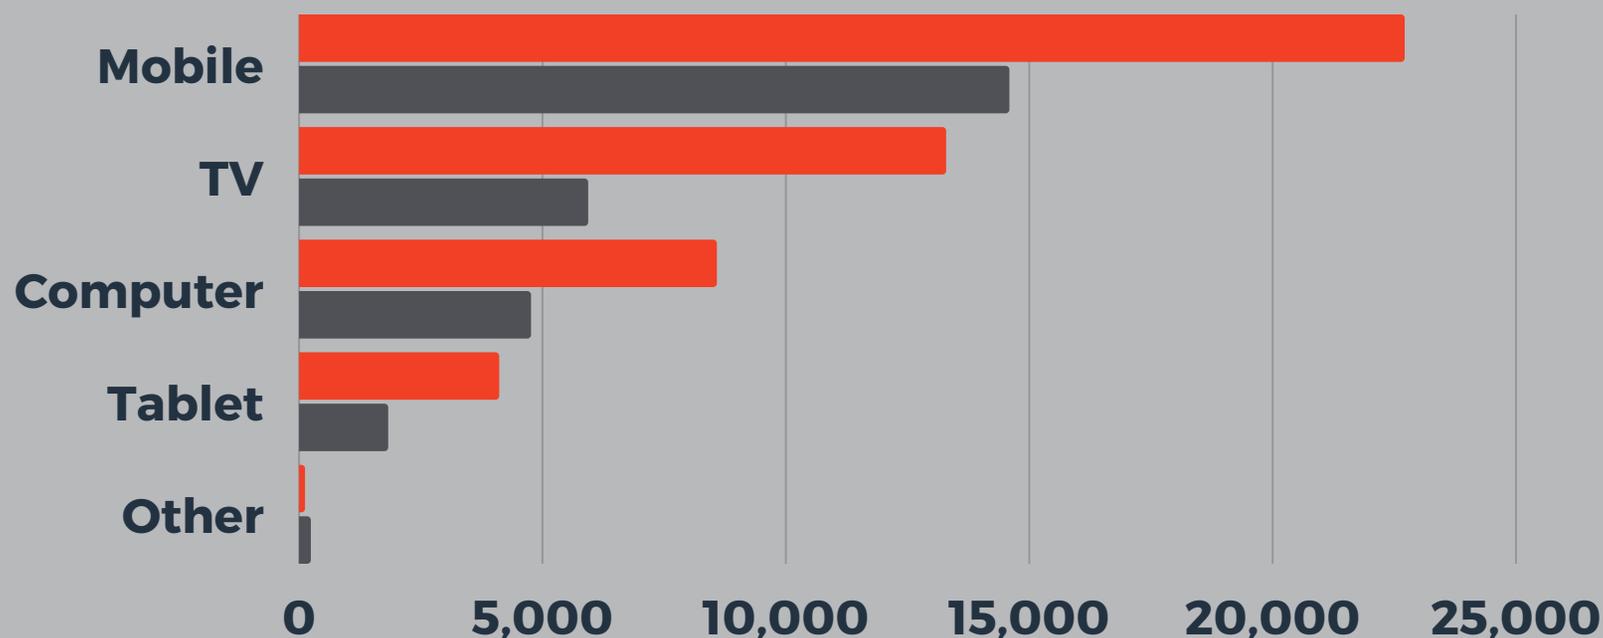

Our church has utilized technology, media, and communication to creatively reach more people than ever with the Gospel of Jesus. The Dare to Imagine app, website, and social media platforms have given people around the world access to sermons and inspirational content.

In 2021, our revenues exceeded \$1.6M—a 49% increase from 2020. This was a monumental accomplishment given the challenges all churches and businesses encountered due to the COVID-19 pandemic.

Maintaining fiscal accountability is very important to our pastor and our board of directors. Every year, we voluntarily engage an outside certified public accounting firm (J. Miller & Associates LLC). From our 2021 Financial Review, which is also publicly available at d2ic.org/impact, J. Miller & Associates LLC stated:

“The Church [Dare to Imagine Church] manages its liquidity by operating within a prudent range of financial soundness and stability and maintaining adequate liquid assets to fund near-term operating needs.”

In addition to engaging an outside accounting firm, in 2021 our pastor, Dr. Kevin R. Johnson, initiated the process for Dare to Imagine Church to become accredited by a national financial accountability organization, ECFA ([Evangelical Council for Financial Accountability](https://www.ecfa.org)).

To be certified, an organization must adhere to the ECFA Seven Standards of Responsible Stewardship, including financial accountability, transparency, sound board governance, and ethical fundraising.

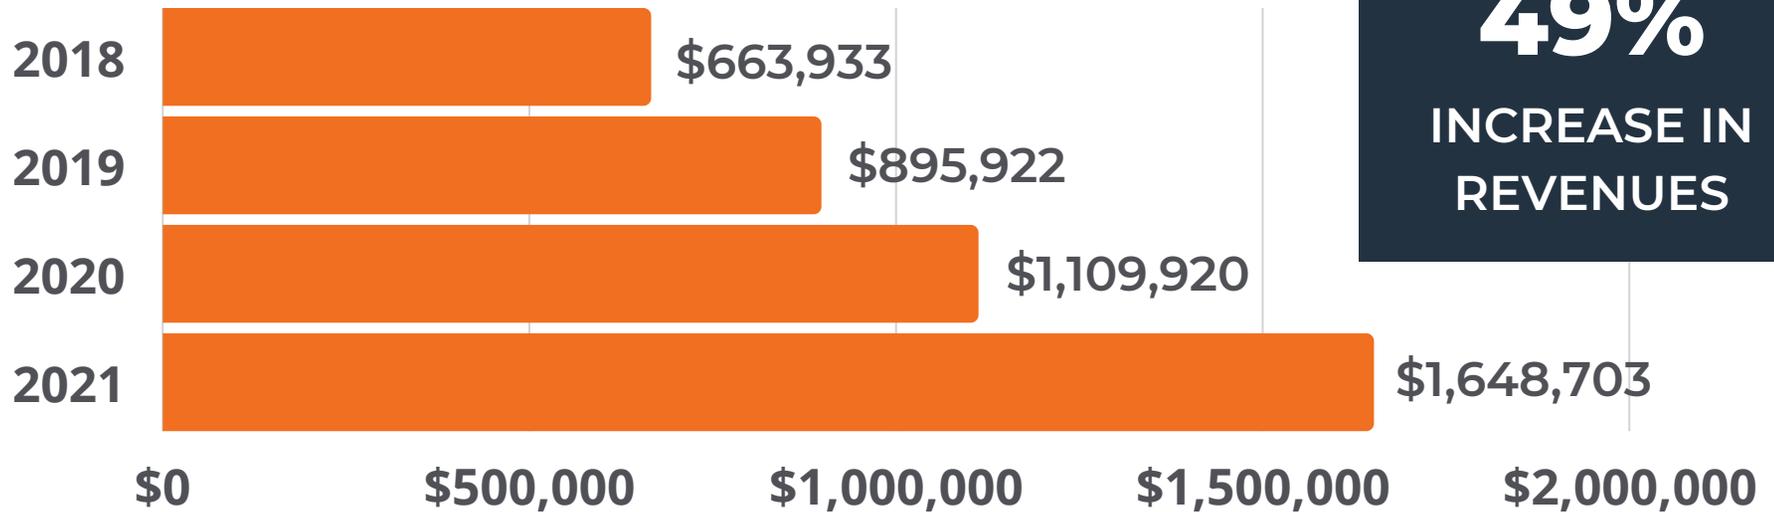

In sum, we are very grateful for the increased support of our donor community. Without your support, we would be unable to change many lives and impact our local, national, and global community. We take the task of managing God’s money very seriously, and we work earnestly to steward your investments for the kingdom of God.
